# **iAct WebMeeting: Get Into The Act!**

## **What is iAct WebMeeting? Why Should I Care?**

iAct WebMeeting is an easy-to-use, 24-hour business building communicator that broadcasts your company's conference calls, training classes, success stories, and more over the internet AND archives them online so your customers, prospects, and downline can listen to them... ANYTIME!

### **Communication: Your Key to Success!**

iAct's state-of-the-art technology utilizes the power of the internet AND telephone. Now, with iAct WebMeeting, your business opportunity is available to the public from On-line or On-the-phone!

### **iAct WebMeeting: Your Key to Communication!**

When was the last time you heard *Sorry, but 8:00 PM is no good for me?* Or how about the last time a conflicting engagement prevented you from attending an important conference call? With iAct's WebMeeting Archive, your downline and prospects can listen at 8:00, 9:00...ANYTIME! Upon airing, the WebMeeting is immediately archived for your 24-hour convenience!

## **Get into the ACT!**

Let iAct WebMeeting double your sponsoring and triple your sales!
